Irrevocable Lien

Patient hereby authorizes and directs Attorney to pay Provider directly any sums due for medical services rendered to Patient. Patient directs Attorney to withhold such funds from any settlement, verdict or judgement that is rendered in the said court case. Patient hereby notifies Attorney that Patient is giving Provider a Lien on these

benefits or settlement proceeds. In consideration for Provider waiting for payment, this Lien is irrevocable and can only be satisfied by full payment of all sums due for medical services rendered. Patient authorized Provider to notify Attorney of this Lien at Provider's discretion and further understands that the Attorney is not required to sign this Lien, but ethically responsible for enforcing it. Patient understands that any settlement verdict or judgement proceeds cannot be distributed to Patient without first satisfying this Lien.

Should a dispute arise regarding payment of Provider's charges, Patient authorizes and directs Attorney to hold in escrow all monies sufficient to satisfy this Lien until the dispute can be resolved. Patient acknowledges that it would be a violation of Attorney's ethical duties as to disburse the disputed funds prior to resolution of the Lien dispute.

Patient understands and agrees that even though this Lien has been given, patient remains personally responsible for payment of Provider's fees for all services rendered. Patient is solely responsible to make appropriate arrangements for payment of such fees, including but not limited to Insurance benefits. Patient further understands that such payment is not contingent on any recovery made by Attorney. Patient agrees to waive the defense of Statute of Limitations as it pertains to any claim filed against Patient beyond three years (or other statutory) after services were rendered. I agree to promptly notify Dr Ajay Yeddu of any change or addition of attorney(s) in connection with this Lien, and I instruct my attorney to do the same and to promptly deliver a copy of this Lien to any such substituted or added attorney(s). Patient is aware that if their account falls into arrears, the Patient agrees to pay Provider's reasonable costs of collection, including interest, attorney fees, lien fees, court costs and/or third-party collection costs. Patient acknowledges that this obligation to pay Provider's fees is not dependent on the outcome of Patient's court case. Patient further authorizes this document to be filed with the County Registrars office.
